THE DOCUMENTATION DEFENCE™

Treatment Record Template

A traceability and treatment-detail prompt to adapt to the procedure and record system.

Educational prompt only. Adapt it to the patient, treatment, your profession, scope, current guidance, insurer terms, clinic policy and record system. This is not legal advice and does not certify compliance. Do not place identifiable patient information in an unsecured copy.

Patient / record reference	
Date, time and clinic location	
Treating practitioner and professional role	
Agreed treatment and patient priority	
Pre-treatment assessment or checks	
Product / medicine / device name	
Batch / lot / serial and expiry, as applicable	
Amount / dose / settings, as applicable	
Exact area / site / side allocation	
Technique or method, as applicable	
Preparation and relevant adjuncts	
Variation from plan and reason	
Immediate observations and patient response	
Aftercare and safety-net route provided	
Review plan, timing and owner	

Record boundary

This is a general documentation prompt. It does not list every field required for every medicine, device, treatment or profession. Build the final template around the real treatment, current professional guidance, manufacturer information, prescribing pathway and insurer requirements.
